## MINE FILE NUMBER

### HOW IT IS DETERMINED

Mine File Number: Letter designation/county number/file number

EXAMPLE: M/047/005

This is a large mine (M) in Uintah County (047) and is the fifth mine file (005).

Note: The Division has dropped the three letter prefixes that were used in the past (e.g., ACT, PRO). All large mines (greater than 5 acres surface disturbance) now have an "M" designation. All small mines (5 acres or less of surface disturbance) now have an "S" designation.
